AT DEATH VALLEY

'TIL DEATH VALLEY DO US PART

Death Valley is a perfect location for anyone willing to trade the glitz and glamour of Las Vegas for the glories of wide-open desert spaces with sparkling, star-filled skies.

The four-diamond Inn at Death Valley brings together the romance of Old California and the valley's natural beauty. Take over our 66-room historic Inn, complete with its unique spaces which are fantastic for groups. From the classic pool to the lush spring-fed gardens to the roof-top terrace overlooking the valley, this venue is a vintage beauty.

Plan your wedding at our oasis, just two hours from Las Vegas, but a whole world apart. The resort, centered in the heart of the national park, presents a compelling contrast to the high-volume mega-hotels on The Strip. Yet with easy access to the city before and after your special day, you can plan an unforgettable wedding that combines the best of both worlds.

Located in the shadow of the Oasis Gardens' date palms, the Inn's casitas offer unparalleled privacy and luxury within easy walking distance of the Inn pool. Each spacious Casita is over 500 square feet and comes with a complimentary golf cart for guests to use to get around the property (cars cannot get down to these rooms) as well as room options with either one king bed or two queen beds. In addition to the main sleeping quarters, each casita also has a living room with a sleeper sofa as well as a wet bar – perfect for fixing your cocktail while you hear the wind rustle through the palms overhead.
